ENCHANTED
OUTPOST

FULL PAGE AD TEMPLATE

If you would like to have a white border
around the ad, put your border on the
live area line.

If you would like to have your ad art
run all the way to the edge of the page,
be sure to put your background art all
the way to the edge of this document
at the bleed edge.

Be sure to remove this layer
before export.

This file is CMYK, 300dpi. All embedded images
should be full resolution.

Export as a flattened PDF at CMYK and 300dpi.
