FULL PAGE AD TEMPLATE GO OUT GUIDE

If you would like to have a white border around the ad, put your border on the live area line.

If you would like to have your ad art run all the way to the edge of the page, be sure to put your background art all the way to the edge of this document at the bleed edge.

Be sure to remove this layer before export.

This file is CMYK, 300dpi. All embedded images should be full resolution.

Export as a flattened PDF at CMYK and 300dpi.
